RUSSIA

”

For us and for many of our customers, CeMAT RUSSIA remains an indicator of credibility and reliability of the company. If a company participates in the trade fair, it means that it has come to the Russian market with serious, long-term intentions.

Visitors

”

Being a part of this event is a great opportunity for finding new potential partners and clients.

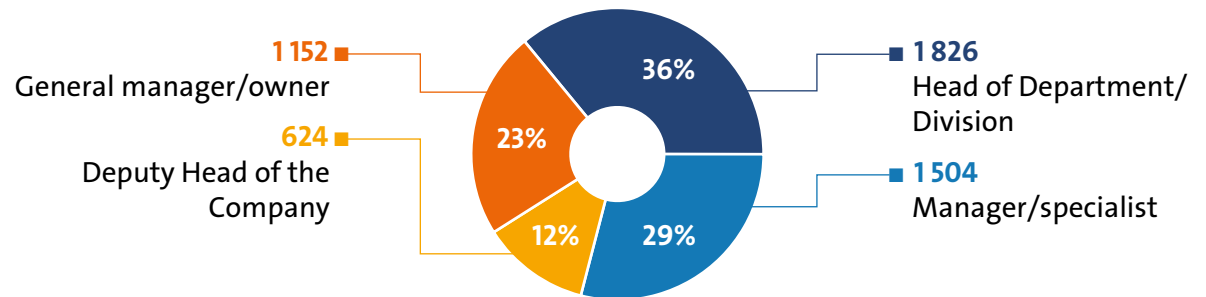

Menivar Christophe
CEO, FM Logistic in Russia

”

Professionals come here not just looking for something new, they come with already existing projects in order to discuss some details and to ask their specific questions. It's interesting and important for us.

Andrei Belinsky
CEO of SSI Schaefer Russia and CIS

Visitors by job position

30% of visitors are representatives of the large business – companies with more than **500** employees

The number of visitors of interested in certain types of products*
