ASIA

PTC ASIA is the motor for your business.

PTC ASIA is a genuine “world fair”. It ranks as the most important showcase for power transmission and control technology and, every years, is a magnet for international market leaders, innovative SMEs, start-ups, as well as for more than 80,000 visitors from more than 70 countries.

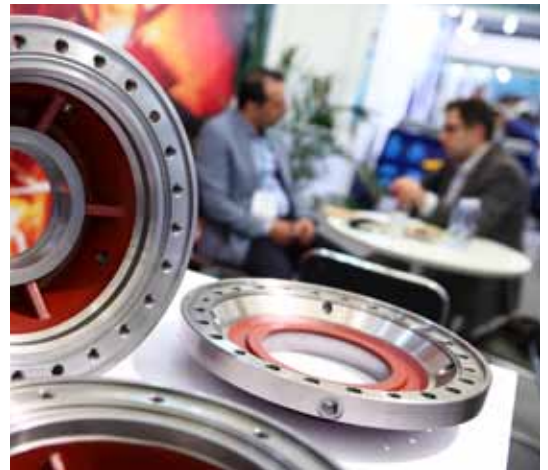

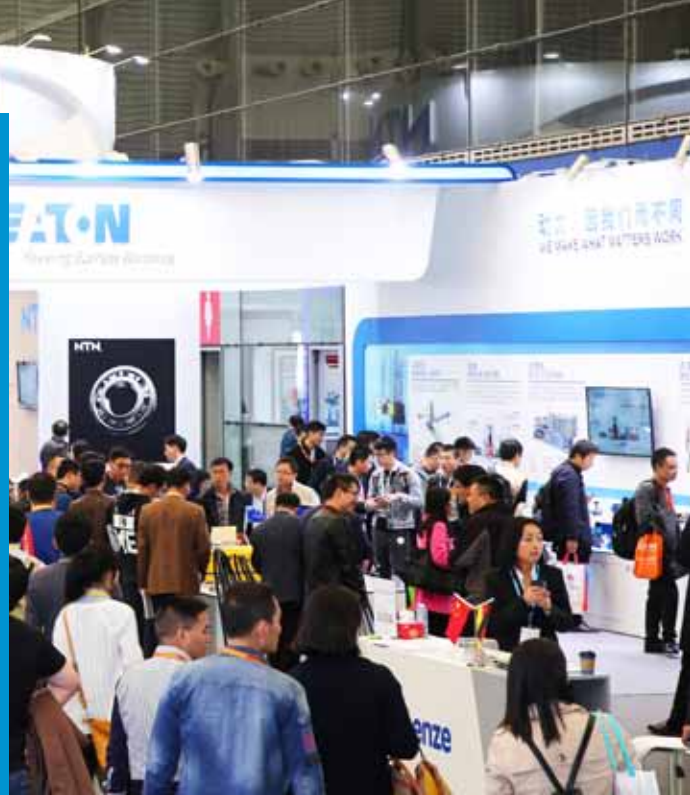

After over 20 years of successful performance, the yearly growth in both exhibitor numbers and show space has proved PTC ASIA the key platform for basic parts trading of Asian markets. At a time of economic globalization, in which China’s booming demands in industry import and export have already got strong impetus, global purchasing is also taking the high road to more efficient trading. PTC ASIA is what you CANNOT afford to miss!

In 2016, more than 1,000 leading companies from home and abroad gathered in a display area of 70,000 sqm. 78,443 trade visitors have visited the show. In 2017, 9 Halls, continuing with the “big-industry platform”, unveil the vision of “Made in China 2025”!

Focuses on the mega issues in industry and illustrates the enormous importance of power transmission and control technology for future production applications.

Topical issues

- Energy efficiency, sustainability
- Factory automation
- Smart factory
- Predictive maintenance
- Integrated Industry & Industrie 4.0

Good reasons for exhibitors

Be at a **hotspot** for power transmission and control technology

Influence the **key trends** in relation to Industrie 4.0

Achieve a **high profile** at this leading industry forum

Establish **contact** with users **world-wide**

What the exhibitors have to say

Chen Xi, Marketing Manager of Eaton Fluid Power (Shanghai) Co., Ltd.

Great thanks for strong support from Hannover Milano Fairs Shanghai Ltd. At the exhibition, we showcased the rich power control and fluid connector products of Eaton Fluid. A large number of audiences came to the exhibition, rendering very good outcomes. Undoubtedly, the 2016 PTC ASIA was a great success.

He Xinyu, Planning Department of C&U Bearing Group

This was the third time for C&U Group to attend the PTC ASIA. More clients have got to know C&U on this platform, and the exhibition has facilitated the communication between C&U and renowned enterprises at home and abroad. We are thankful to the organizer for their support and help.

Wang Zhengbing, President of NGC Group Industrial Gearbox Division

Focusing on quality, brand and service, the 2016 PTC ASIA has done a great job in attracting both audiences and suppliers. We appreciate the scale and outcomes of this exhibition, and hope that it will get larger in scale and become an essential wind vane for the industry. We will also continue to support the PTC ASIA.

Kuo Chunling, General Manager of Gates Industrial PT, Greater China

As a mature, excellent high-end transmission system designer and manufacturer, Gates has been devoting itself to translating sophisticated transmission designs into practical products for our users. An international, large-scale and professional exhibition of the power transmission industry, the PTC ASIA provided an excellent platform and opportunity for us to showcase our products, narrowing the distance between parts suppliers and the users.

Innovations for the value chain.

Bearings, gears, hydraulics, pumps, valves, pneumatics seals ...
Motion, Drive & Automation showcases the central components
in the factory of the future.

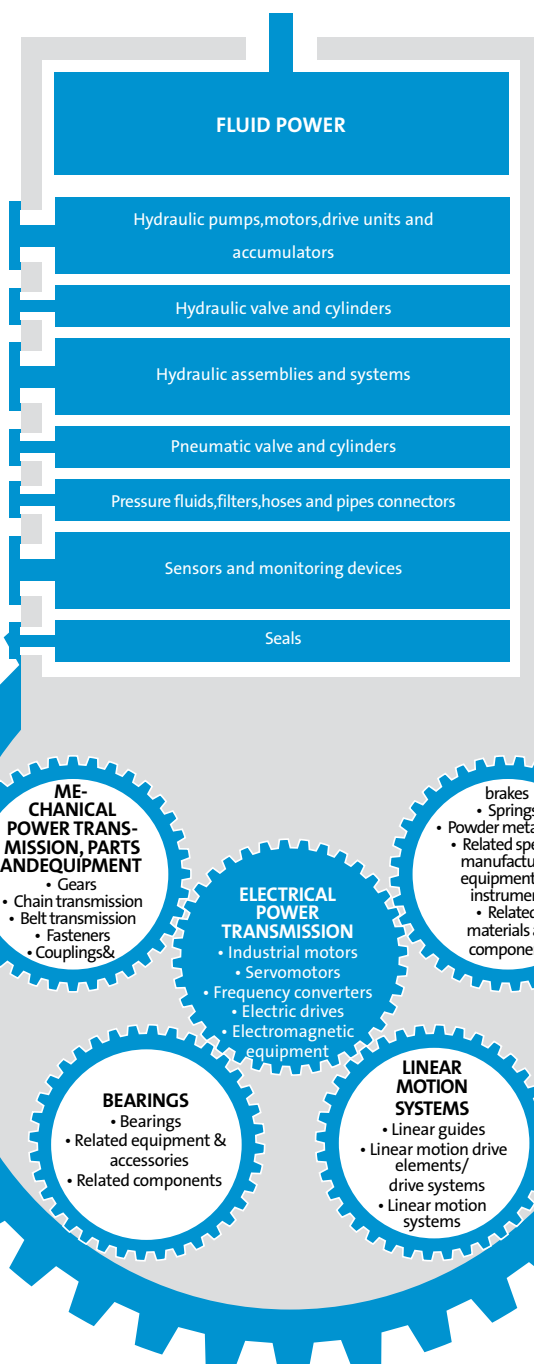

Big names in past shows

Fluid Power

Bosch Rexroth, Eaton, Park Hannifin, Moog, Stauff, HAWE, Bucher, Husco, Hydac, Atos, Permco, Hansa-flex, Gates, Breveni, KAWASAKI, Tokyo Keiki, Staubli, Pall, KTR, Manuli; FESTO, SMC, Camozzi, Norgren, CKD, Koganei, Pneumax, Hoerbiger, MetalWork, ASCO, Pisco, Airtac, YSC, Convum, Chelic, Chanto, Mindman; NOK, TRELLEBORG, KASTAS, SealMaker, Garlock, SKF, Dichtomatick, AIG, Sealtech; Yuci, Hude, Shanghai Electric Hydraulics & Pneumatics, Hydraulics Group, LEEMIN, High-Tech, Dazhong, Lixin, Zhenjiang Hydraulics, Shanghai Xinyi, Ningbo Easun, Guangzhou Mechanical Engineering Research Institute etc.

Mechanical, Electrical Transmission and Parts

SEW, Siemens, ABB, Sumitomo, Bonfiglioli, DMG MO-

RI, EMAG, NGC, Regal, SITI, TEXTRON, David Brown, Rossi, Nord, Nissei, Lenze, WEG, Mayr, Intorq, Kendrion, Oriental, Samyang, Rexnord, Baldor, Watt, Sigma-Giken, Emerson, Wulf, Renold, IWIS, Tsubaki, DongBo, Optibelt, Contitech, Nitta, Hutchinson, Gates, Bando, Megadyne, Veyance, MBL, Barbieri, KTR, Tecmen, RINGSPANN, NBK, Raybestos, R+W, SIT, ETP, CENTA, Ejot, ND, Oetiker, Oxford, SACMA, National Machinery, Nylok, Eagle, Bollhoff, Yeswin, Anchor, Chunzu, Nutech, SQB, Autocraft, U-coat, Limao, Baumann, Mubea, Gala, China Spring, Luoyang Machine Tool, Universal, Haixu, Qianjiang Spring, Jinyuanfa, Simco, Leespring, Chungrong, Spring ming, Goldenlion, Elephant Tiger, Max, Winston, Kaichuang, Zhijiang etc.

Bearings

SCHAEFFLER, SKF, Timken, TWB, NSK, NKE, STC-steyr, PEER, FYH, UBC, C&U, Cronos, Fomas, GGB, LFD, IKO, Redman, Changsheng, Luoyang Bearing Group etc.

und Zuverlässigkeit zahlen sich aus.

Leistung effizient und sicher übertragen wird, entwickelt Henschel die optimale Lösung.

Zuverlässig

Die neue Henschel-Palme mit über 250 Jahren dem Weltbesten Baumstamm zu sein

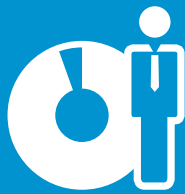

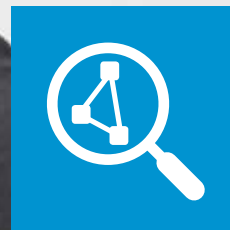

Intelligent

Leistungsfähigkeit durch das beste Wissen in einem Team aus Experten

Effizient

Engineering in der Herstellung und in der Servicezeit ist genauso effizient wie unsere Produkte in Betrieb

| | Upgrade Shell Scheme | 300 | | | |
| | Deluxe Shell Scheme | 400 | | | |

What the visitors have to say

Mr. Qian, Wuxi Yingda Automation Equipment Co., Ltd.

I'm very pleased to join in the PTC ASIA 2016 and become the First Prize winner with an iPhone 7. This event had a large scale, a wealth of exhibitors and rich exhibits, especially, staffs offered considerate services. This event provided us with a good communication platform where exhibitors explored business opportunities and trade visitors collected valuable information. Moreover, the intelligent manufacturing forum during this event enabled us to learn the state-of-the-art manufacturing technologies. I wish the PTC ASIA every success.

Mr. Liu, Director of Electric Processing Department, Shanghai ZhenHua Heavy Industry Co., Ltd.

The visits for consecutive two years impressed me and our team. First, the PTC ASIA had a large scale. We only visited half of stands one day. Second, complete varieties of products. We could find all stands which displayed products interested us. Third, exhibitors showed high technological capability so that we could acquire all cutting-edge products and technologies we needed to learn.

Buyer delegations

107

Matchmaking meetings

122

Forums

11

Full user industry coverage with key area focus

Machine tool, engineering machinery, auto manufacturing, petrochemical, aerospace and aviation, energy, power and electricity, metallurgy, environmental protection, home appliance, packaging, construction material, hardware, furniture, agri-forest, textile, electronics, plastic, ship building, motorcycle, bicycle, food, light industry and printing.

Delegation

Delegation visitors from engineering machinery, automobile, petrochemical, food, pharmaceutical, rail transportation, power, machine tools and other user industries and overseas delegations from Germany, USA, Russia, Turkey, India, Brazil, Korea, Japan, Thailand and Singapore are invited onsite visiting and set for match-making meetings.

Matchmaking service

According to your target user industry, the organizer will invite potential buyers and make face-to-face onsite appointment for you. The matchmaking service set up **122** onsite appointments in 2016. **90%** buyers placed purchasing order.

Concurrent forums

SMART MANUFACTURING Forum has been successfully held the second. The organizers are still with The Power Transmission Engineering and Fluid Power Associations within VDMA (German Engineering Federation) and UNITY Business Consulting (Shanghai) Co., Ltd. Presentations reflected the industrial practice in industry and present leading innovations in the fields of Industrie 4.0, Predictive Maintenance, Energy Efficiency, Sustainability, Improved Products and Processes and Functional Safety. In 2017, over 15 technical seminars and forums on diversified user industries, you have chance to contact with over 2,000 professionals face to face, exchange ideas and network with trade visitors.

Global marketing coverage

Your participation at PTC ASIA will be reported in **72** countries and regions across the globe by over **20** industrial and public media portals, over **50** logistics industry media platforms, over **100** user industry media publications and over **20** user industry organizations.

Marketing opportunities

You have various marketing and promotion opportunities leading you to success, including advertisement on printing materials, onsite billboards, metro stations, visitor pre-registration page, social media and video interview, etc. For details, please contact the project team.
