Open Space Map & where to find Cycling & Micromobility

PLACEMENT RECOMMENDATION FOR OUR SEGMENTS

- 1 **AUTOMOTIVE**
Ideal for large stand structures with direct access to the car departure points.
- 2 **LEV, MOTORCYCLE/SCOOTER**
LEV & motorcycle/scooter packages perfectly tailored to you with optimal access to the departure points.
- 3 **CYCLING & MICROMOBILITY**
360-degree event area for cycling & micromobility experience with direct access to the test track and course.
- 4 **PUBLIC TRANSPORT, MOBILITY SERVICE PROVIDERS & DESTINATIONS**
System stand construction can be booked for small to medium-sized events in a unique setting.
- 5 **TECH & DIGITAL**
- 6 **SMART CITY & INFRASTRUCTURE**
Innovation hub with integrated try-out areas for the latest tech trends and an exciting supporting program on sustainable urban planning.
- 7 **CITIZENS LAB & CITIZEN DIALOG**
Modern container stand packages for exhibitors with a focus on public dialog, sustainability and/or urban planning.

Talk to us! We will find the best placement for your segment and focus - for optimum accessibility to your target group in the heart of Munich.

IT'S ALL ABOUT MOBILITY

» IAA MOBILITY 2025 Activities in Cycling Activation Area

The Open Space Cycling Activation Area will feature a diverse program with a focus on cycling & micromobility, entertainment and try-outs over the entire duration of the event. The program points are varied - from mountain bike kids trails to senior cycling safety training, concerts, ride outs to BMX stunt shows - there is something for all Open Space visitors.

- › Velo Concerts
- › Cycle Training
- › JAKE 100 Wheelie Shows and Ride Out
- › Germany Bicycle Team
- › Pumptrack by Scool

» IAA MOBILITY 2025 Cycling and Micromobility Parcours

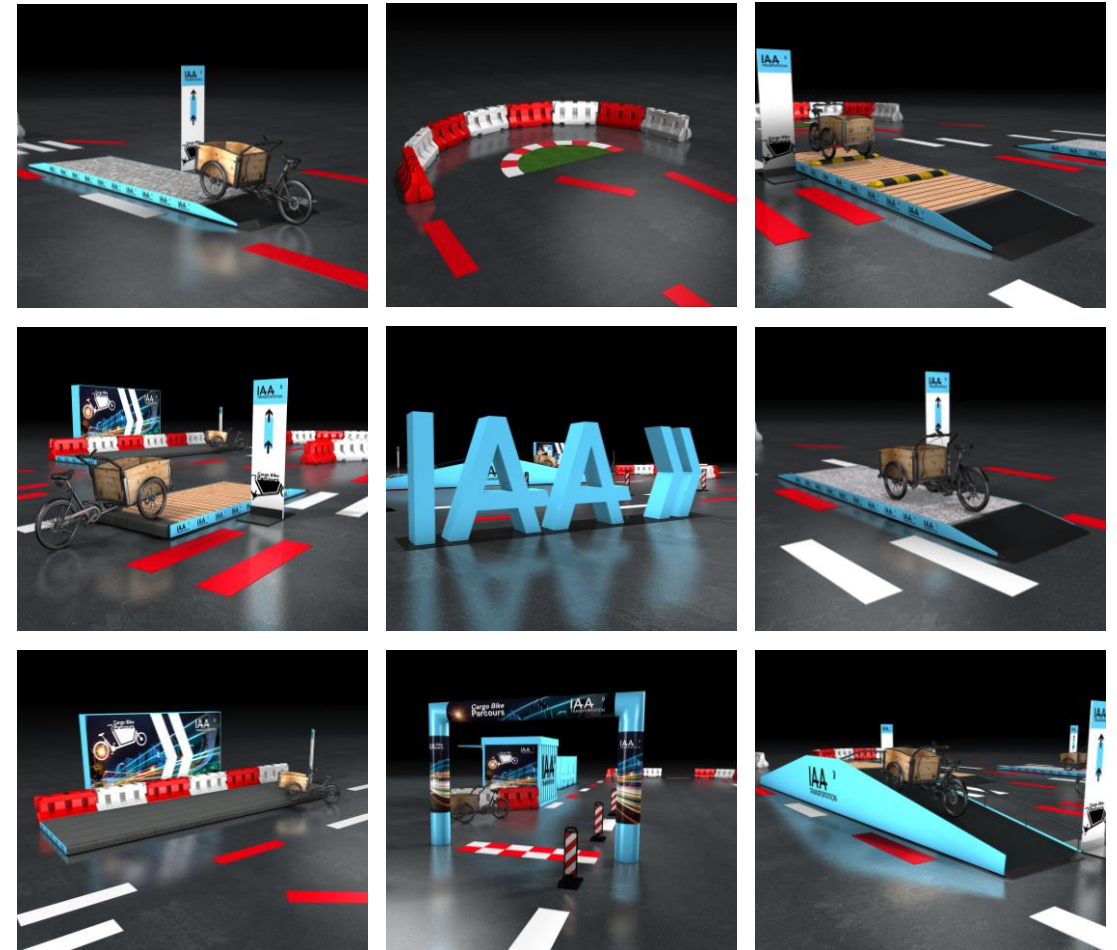

Included in
all
packages!

Varied driving situations and obstacles

The new Cycling & Micromobility Parcours consists of six high-quality obstacles that are modeled on real road conditions:

- › Rough cobblestones
- › Speed bumps
- › Straight curbside
- › Loose gravel
- › Lateral curbside
- › Gradient and slope

Various curve situations and an acceleration track round off the offer and ensure a unique test experience that remains a lasting memory for visitors.

ATTENTION

On some days, especially on warm summer days, there are often a lot of people in the English Garden. Please pass this information on to your visitors so that they are considerate on the road.
