Limitation of liability for IAA Cargobike Parcours as part of IAA TRANSPORTATION

The VDA accepts no liability whatsoever for damage to property or personal injury caused to the exhibitor by driving on the IAA Cargobike Parcours, by a technical defect in the exhibit and/or by misconduct on the part of the visitor driving the exhibit during the test drives on the IAA Cargobike Parcours. The VDA will only provide the exhibitor with the exhibition space and the parcours on the exhibition grounds for the purpose of carrying out the test drives under the exhibitor's own responsibility. In the event that the participating visitor (third party) suffers damage due driving on of the IAA Cargobike Parcours, due to a technical defect of the exhibit and/or due to misconduct of the visitor driving the exhibit during the test drives on the IAA Cargobike Parcours, the exhibitor undertakes to indemnify VDA against claims of any legal nature of the third party. In addition, the VDA must be reimbursed for all legal defence costs incurred in this context. In all other respects, the [IAA Exhibition Conditions](#) shall apply.

There will be no central registration for interested visitors for the IAA Cargobike Parcours. Contact with customers and handling (incl. insurance, verification of personal details, etc.) will be carried out at the exhibitor's registration area under the exhibitor's own responsibility.

The exhibitor is obliged to check whether the person is able and in condition to drive the exhibit himself. If a driving licence is required to drive the exhibit, this must also be checked. We would like to point out that the exhibits used must have appropriate insurance cover and that the safety of the exhibits must be guaranteed by the exhibitor.
