

#H2FCE 20 – 24 APRIL 2026

CONNECTING INDUSTRY WITH HYDROGEN AND FUEL CELLS TECHNOLOGY

Hydrogen + Fuel Cells EUROPE 2026 – Be part of it!

Deutsche Messe

CONNECT. CREATE. SUCCEED.

CONNECT. CREATE. SUCCEED.

HANNOVER MESSE is the world's leading platform for industrial transformation. It is where ideas and innovations are transformed into tangible, marketable industrial solutions that drive efficiency, sustainability and connectivity across industries worldwide. As a central meeting place for political decision-makers and business leaders, it offers a unique platform for immediately applicable solutions in an industrial context.

A special focus is on “Hydrogen + Fuel Cells EUROPE”, which plays a key role in showcasing innovations and business opportunities in the hydrogen and fuel cells sector.

Make sure you are part of this ground-breaking event and play a key role in shaping the future of the industry.
